Long Island Pine Barrens Society's Virtual Environmental Gala

Thursday, October 22, 2026, at 7:00pm

**We're celebrating the 49th Anniversary of the Long Island Pine Barrens Society this year.
Please join us as we commemorate A Life Well-Lived, A Legacy Unmatched!**

This year's gala is dedicated to the late Richard Amper, the executive director who led the Society to greatness, and was instrumental in securing the passage of the Pine Barrens Protection Act.

Here's how it will work:

- After purchasing a ticket, you will receive a copy of Dick's book, *Saving Long Island*, mailed to your home. You will also receive Champagne and chocolate (under separate cover) to help you celebrate.
- Tune in to our virtual Gala Celebration on Thursday, October 22, 2026 at 7:00 pm on Facebook and YouTube.
- Table options are also available, which allow you to send books, Champagne, and chocolate to a group of your friends, family, or colleagues. Please note that each person listed will have a virtual "seat" at your table.
- Journal ads are also available for purchase. The journal will be mailed to everyone attending the Gala at a later date.
- Our Silent Auction will be held online and will be open to attendees and the general public October 22 to November 1, 2026.
